# Lady Tigers Basketball

The Lady Tigers had a great season with a record of 23-4. We accomplished a lot this year and ended the season while at the National Tournament with a lot to be proud of. After winning the State and the Region, we got the chance to play in the National Tournament in Salina, Kansas. We are the first women's team in Hiwassee history to make it past the first round in the Nationals.

**"When I first came to Hiwassee I did not know what to expect. Coach Walker has brought this program along way, and I am real proud to be a part of a program that accomplished all the things we accomplished".**  
**--Heidi Meade**

## **SPECIAL AWARDS:**

**Ashley Johnson -- All state, All Region, MVP of Region Tournament.**

**Roshana Jackson -- All State, All Region.**

**Courtney Perkins -- All State, All Region, Player of the year for NJCAA, Earned All American.**

*Heidi Meade shoots for two.*

## TEAM:

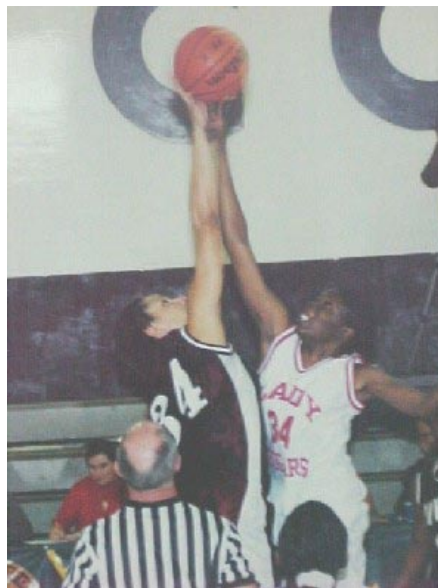

Together Everyone Achieves More

**"We deserved to go to Nationals this year. We worked hard and we all believed in each other."  
--Nita Jones**

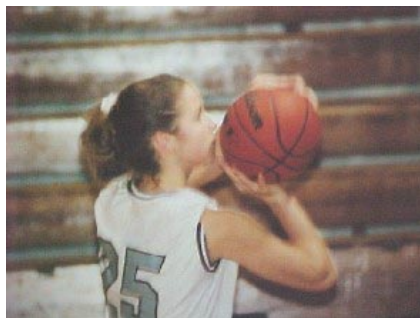

**"We knew that it would take everyone being on the same page and getting along to win. We did not have a one-person team this year. Every one played their roles and this has a lot to do with our success this season."  
--Ashley Johnson**

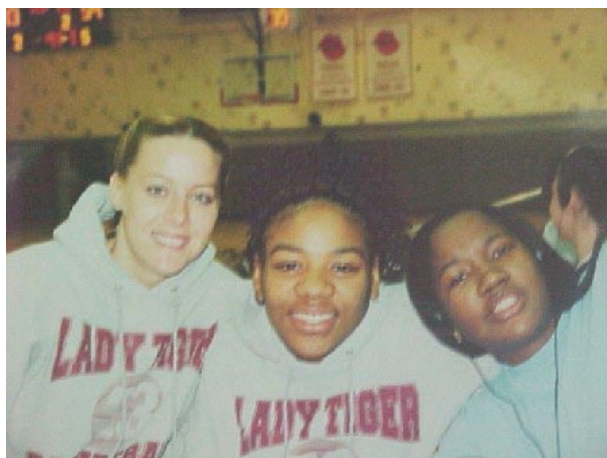

The Lady Tigers will lose 5 sophomores that had a big impact on this team's success, but they leave 6 freshmen that will be ready to lead the Lady Tigers back to the Nationals next year. The Lady Tigers reached all their goals this last season, and next year they will set their goals higher in hopes to reach them.

**"I am so excited about next year. I believe we will go back to the Nationals, and next time we will know what to expect and will hopefully come home with a National Championship."  
--Roshana Jackson**

The Lady Tigers had a lot of success this year, but their success had a lot to do with how close they were on and off the court as a team. "We are always hanging out together. Where you see one of us, you see all of us", says Nita Jones. Below are some pictures of the Lady Tigers hanging out off the court. (Rachael Roberts)

The Lady Tigers, just like any team, had their fights, but they never let that come between them, and they never dwelled on their problems; they always fixed them.

# Lady Tigers Soccer

The Lady Tigers finished the 2002 soccer season as Region 7 champs and ranked 16<sup>th</sup> in the nation. Many players were ranked for individual stats, while the team headed to sectionals again this year. They traveled from Mississippi to St. Louis and many other surrounding states.

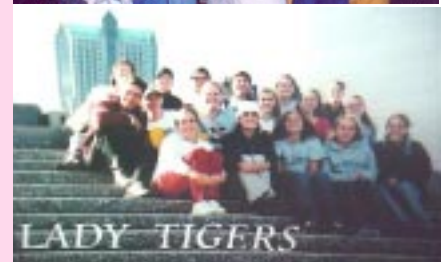

*Cayci, Coach, Missy, and Stout....We Love our Coach, and, as you can tell by his face, he loves us.*

## FROM COACH JOHNSON

The Lady Tigers, at 15-3-2, are the 16th ranked team in the nation heading to District C. They have drawn the team that defeated them in 2001, Lewis and Clark of Godfrey, Illinois, on Friday, Nov. 8th in St. Louis, Missouri. We are focused on winning this round, having been here before and knowing what it's going to take to go on.

# Hiwassee Tigers Soccer

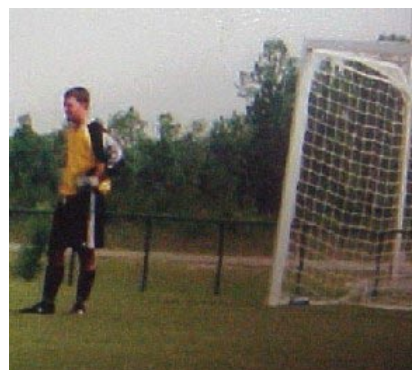

What an amazing turn around for the guys this year—basically going from worst in the region to first in a single year. It all really started when coach Johnson said that I think I am going to change things a little and rock the boat for a change. That is just what he did.

Coach went out and recruited the best freshman class Hiwassee has ever seen. The highly recruited Ousman Drammeh and Josh Petlitzer led the way for the freshman crew and joined the ranks with sophomore captains Dave Roberts and Kevin Rushing, scoring leader Dwayne Watson, and goalkeeper Brian Voorhies.

The team played the toughest schedule in the history of Hiwassee College. The season had its ups and downs, but the Tigers finished as region champs with a record of 9-9-3 and for the first time earned the right to go to sectionals and compete for a national bid. Another good recruiting year will lead to higher rankings next year.

FROM THE COACH: Hiwassee Men's Soccer has turned a page, completing their most successful season ever with a regional playoff victory over St. Catherine's College, 7-0. We owe a great debt to all the young men whose shoulders they stand on.

# Hiwassee College Baseball

The Hiwassee Tigers started their season off with plenty of running and working out. They found themselves getting up at 6:00 a.m. ready to start the day with a bang. This was often a two-mile run around the campus. They have been conditioning since the early part of August.

Coach Edwards, in his first season at Hiwassee, pushed them to their physical limits everyday. He developed a conditioning and running program to get them in exceptional physical shape.

The Tigers also participated in a Fall-Ball program. This program enabled them to compete in a few games before their real season and develop leadership and team unity on the field. They scrimmaged TWC, Cleveland State, and Walters State...all teams that they will play in the regular season.

*Wow, these fans came all the way from Tampa, FL for Anton!  
Go ahead, Anton (on-deck). Make your mother proud!*

*Hey now, that was a bad call!*

# Hiwassee College Men's Basketball

The Hiwassee Tigers had a year of challenges. They had a very young team with only three sophomores and the rest freshmen. The Tigers had a hard time winning close games at the first of the season, but as the year went on, they continued to get better. The Tigers started winning close games and they earned the right to play in the regional tournament, which was held in Jackson, TN.

The Tigers future looks great for with four returning starters coming back. Their goal is nothing less than contending for a national championship in Kansas.

The members of the Hiwassee men's basketball team are very close off the court. The guys come from every

where such as New Jersey, North Carolina, Texas, Ohio, and Virginia. They are all very different, but that is what makes them such a unique group of guys.

The Fall 2002 production was "Fuddy Meers." Fuddy Meers is about Claire, a "memory-challenged" woman, who seeks the truth. Like the distorted and warped reflections of a funhouse mirror (which the title alludes to), Claire's self-image is twisted by a dysfunctional family. There's the all-too-good-to-be-true husband, a mysterious, limping stranger, the pot-smoking teenage son, a tough lady cop, the ventriloquist with a trash-talking dummy, and Claire's mother, a stroke victim who can only speak gibberish. David Lindsay-Abaire's play is funny, mysterious, and as the puzzle unravels, ultimately empowering.

# The Merchant of Venice

This year's Spring 2003 performance was Shakespeare's "Merchant of Venice". The play's image was updated and given a "1950's" look. When asked about the decision the cast agreed it made the play a little easier and a lot funnier.

The pictures above are Sean Ellis who played an hilarious character named 'Launcelot', the beautiful 'Portia' was Elizabeth Medley, and Justin Campbell played the character of 'Lorenzo' while Brian Taylor was 'Gratiano'.
